

## THE CONTEST

The Contest is open to all Division 1 members. Each month The Contest will have three categories for the type of model. The categories will be SCRATCH-BUILT, KIT-BASHED AND KIT-BUILT. The idea behind this is that this should allow anyone, at ANY skill level, to enter anything they are proud of.

Judging will be by popular vote at the meetings. However, anyone wishing to have a model judged by NMRA rules for the Achievement Program (AP), we will attempt to make the arrangements (since Division 1 currently has no active AP person). In all cases we will keep track of points scored as the months go by and at the end of the year (May or June meeting) the total point winner will receive special recognition.

The categories for September 2009 through May 2010 are as follows:

October - Rolling stock with graffiti

November - Vehicles which are railroad related with name of the railroad on the side.

Examples are speeders, handcars, MOW trucks.

December - no contest

January - Servicing Facilities - steam or diesel

February - Depressed center flat cars with or without loads

March - Excessively weathered and/or damaged freight cars

April - Diesel Locomotives

May - Cabooses
